To whom it may concern:

I am pleased to recommend Key Transportation as a professionally managed, efficiently run transportation operation that has provided superior service to Avon executives for the past 4 years. Key Transportation has also been the Transportation Company of choice for several major Global meetings in Miami, Palm Beach and Aventura, as well as Top Latin America Management meetings in Miami and Key Biscayne.

Punctuality, Professionalism and Efficiency are trademarks of Key's service. The same is true when dealing with the office staff of Key Transportation, from Reservations to Billing.

I wholeheartedly recommend Key Transportation. Please do not hesitate to contact me if you have any questions about my comments or if you would like further details.

Sincerely,

Dulce Carrillo-Kuti
