Dear Orlie

I must congratulate your entire team on their professionalism and dedication to working my challenging program of 600 guests at The Loew's Hotel in Miami Beach. My client, Maritz and their third party client, Cisco, could not have been happier in regards to the complex transportation logistics that had to be operated in a flawless manner. Thank you for your attention to detail, because without that, we could not have achieved the success we did.

It is always a pleasure working closely with you and your team. Throughout our 12 year partnership, we know we can depend on Key Transportation to go above and beyond to provide the very best of service to our clients and the Deco team.

Thanks to everyone for the support. It is a pleasure working with each every one of the Key Transportation staff.

Sincerely, Alfi Portela  
Director of Program Operations
