Dear Carlos,

It has been a pleasure working with you and your staff over the past year. Key Transportation has demonstrated an outstanding service and the ability to work with professional calmness and competency throughout the inevitable changes associated with corporate travel.

We handle a very high-end clientele, who not only demand, but expect the highest level of service. Your staff has consistently met and exceeded our expectations. The chauffeurs are always on time and look sharp. The reservation staff are always prepared for last minute requests.

Thank you for your committed services. We look forward to a successful relationship long into the future.

Best regards,
